PRODUCT DESCRIPTION

Designer: Porta Romana Lighting

Porta Romana Holden Suspension

The Porta Romana Holden Suspension brings the refined, natural character of the **Holden Collection** into a more generous form. Constructed from steel and brass with wrapped cane, its upward-curving arms create a balanced and harmonious silhouette, while subtle markings on the cane add depth and texture. The natural cane may vary slightly in tone, enhancing the handcrafted quality and ensuring each luminaire feels subtly unique. Available in Dark Cane with Brass or Dark Cane with Antiqued Brass.

Recommended with Porta Romana's signature Fez shades, the Holden Suspension provides a warm, softly diffused glow that is both decorative and functional. Its wider proportions make it especially well-suited to larger living rooms, dining spaces, entrance halls, and bedrooms, where it can act as a sophisticated focal point without overwhelming the interior.

The Holden Suspension is also available in a small and extra-large size and can be paired with a choice of shade shapes, fabrics, and linings. Please contact us for more information and pricing.
