PRODUCT DESCRIPTION

2G Dimmer Switch by Buster + Punch

Suitable for dimming two light sources or points, the 2G dimmer switch is perfect for exquisite decoration and function. The dimmer switch is wonderful to use alongside Buster and Punch lights, keeping the same aesthetic that is present across the whole brand. The wall plate is made from metal and is paired with either a brass, steel or colour-matched dimmer knob and coin screws. The knob has a diamond-cut, cross-knurl pattern and the various colour choices mean you can find the right match for your design scheme.
