PRODUCT DESCRIPTION

3G Toggle Switch by Buster and Punch

The 3G toggle is an on/off switch that can control three light sources or points, designed by Buster and Punch. The toggle switch has a contemporary and refined look, fitting in with the style of the lighting brand. The wall plate is made from metal with a toggle arm that has a cross knurl pattern made from either colour-matched metal, brass, or steel. Suitable for many mains lights from Buster + Punch, available in 12 colour finishes.
