Muuto Linear Steel Side Chair

Without any compromises, the Muuto Linear Steel chair is the perfect outdoor solution. With clean lines and subtle details, the Linear Steel chair brings comfort and quality. The curved backrest offers maximum comfort, contrasting the clean lines of the seat and legs.

Part of the Linear Steel family, the side chair is available in five colours options: black, grey, pale blue, burnt orange and dark green. Guaranteed to match any decor, these colours make a bold statement. The idea behind the collection is creating a series of durable modern furniture, with straight lines and folded edges.
