The most stripped back design in the HIRAY Collection, the HIRAY Chair proves that metal materials can be just as lightweight as plastic. Designed by Ludovica & Roberto Palomba, the HIRAY is suitable for use indoor and outdoor environments thanks to the durable and weather proof materials it is crafted from - perfect for the British weather.

The HIRAY Chair provides a curved seat for optimal comfort, ensuring functionality as well as a sleek contemporary design. The seat utilises metal wires to form a well-defined yet lightweight frame. This chair is available in four colours, making it easy to adapt to a multitude of style preferences. Perfect for both outdoor and indoor dining, whether in your garden, conservatory, or on your decking.

Please Note: the Kartell HIRAY Chair does not come with cushions included.
