PRODUCT DESCRIPTION

Designer: Arturo Alvarez

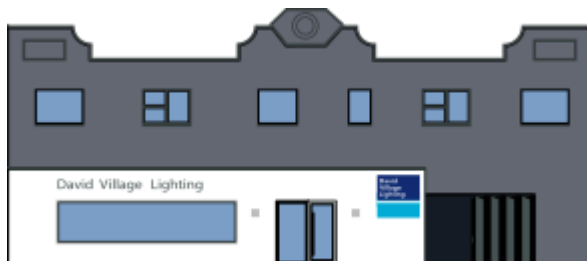

a-emotional light Ura Table Lamp

a-emotional light Ura Table Lamp is designed by Spanish designer and innovator, Arturo Alvarez. Alvarez is known for drawing from nature in his work while exploring geometric forms. This play with simple geometry is seen in The Ura Lamp, which is handmade with delicate folds. This creates a striking linear pattern throughout the shade. The exposed lid and base allows light to project from the lamp, projecting circles on the surface that it sits on. This creates an elegant, striking effect wherever the Ura is placed.

The Ura Table Lamp is manufactured in Spain, using painted stainless-steel mesh making it durable and easy to clean with a damp cloth. It can be combined with other items from [The Ura Collection](#) to create an elegant theme throughout the home or placed on its own on a bedside table, adding ambient lighting to a bedroom.
