FollowMe LED Lamp by Marset

BRAND NEW, OVERSTOCKED, ORIGINAL PACKAGING.

1 x Pink Available.

1 x Blue Available.

Portable and rechargeable, the FollowMe lamp is a table lamp that can be taken wherever you go. Because of its small, warm, and self-contained character, it is ideal both indoors and outdoors. It also works in restaurants and terraces that have no access to electrical outlets or to replace candlelight.

The oak handle beckons you to pick it up. Compact and small, it almost looks like a personal accessory. With a swinging lampshade made of white polycarbonate, it boasts a fresh, luminous look. It comes with LED technology and a dimmer switch in the base. The battery is built-in, which has five hours of life when fully charged and has a USB port for recharging. The FollowMe LED portable lamp is available with 5 lovely colour finishes for you to choose from.
