CTO Lighting Nimbus Chandelier

The CTO Lighting Nimbus Chandelier is a contemporary lighting solution which takes inspiration from classic designs, it provides an elegant but striking centrepiece for a range of interiors and generates a cosy atmosphere. The Nimbus Chandelier is crafted from high-quality metals and hand-crafted glass, consisting of numerous suspended discs which act as a unique shade to the light source within. Each disc is highly unique, and skilfully handmade from fritted glass by CTO Lighting artisans.

This sculptural luminaire is available in two sizes and two sleek finishes, allowing it to adapt to numerous spaces and providing great versatility. It can be installed individually or in multiples for more vast interiors, the CTO Lighting Nimbus Chandelier is a beautiful addition to living rooms, bedrooms, living rooms or dining spaces. It is also a perfect way to illuminate commercial locations such as hotels, restaurants and bars.
