PRODUCT DESCRIPTION

Designer: Bert Frank Design Team

Bert Frank Riddle Single Floor Lamp

A reinterpretation of one of Bert Frank's most recognisable designs, the Riddle Single Floor Lamp introduces the iconic perforated brass shade into a tall, freestanding form. Designed with both function and form in mind, the shade articulates through 270 degrees and features a soft fabric insert to diffuse light, making it ideal for reading or ambient lighting.

Crafted from solid brass with a powder-coated base for stability, the lamp pairs clean geometry with tactile detail. The elegant upstand and warm finish make it an excellent choice for accentuating corners or creating intimate spaces in residential or hospitality environments. Its visual language ties seamlessly into the broader Riddle collection, making it ideal for coordinated schemes.
