PRODUCT DESCRIPTION

Designer: TAGE KLINT

Le Klint Model 1 Pendant

Another elegant design for Le Klint, the Model 1 Pendant was designed by TAGE KLINT in 1942 and is the embodiment of true Danish craftsmanship. The Le Klint Model 1 boasts a pleated shade, a specially designed frame, brass hang-up, and a beautiful linen cord that enhances its exclusive expression. The hand-folded lampshade is available in either folded paper or standard foil, allowing you to choose the look that best suits your interior.

The Le Klint Model 1 Pendant produces an ambient downlight thanks to its conical shade, whilst the material also allows some illumination to escape out of the sides of the silhouette. The result is a more evenly dispersed lighting solution that can be utilised in private and commercial settings. Display the Model 1 Pendant in living rooms, bedrooms, dining areas and reading nooks. Model 1 can be displayed individually, in rows or in clusters with pendants at varying heights for a more dramatic installation.

PRODUCT SPECIFICATION
