PRODUCT DESCRIPTION

Designer: Claire Lavabre

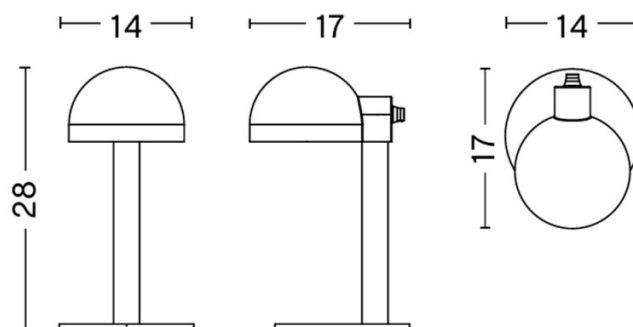

HAY Posto Table Lamp

Designer Claire Lavabre created the Posto Table Lamp for HAY. The compact lamp offers a graphic yet understated expression through a minimalistic form. Stripped back to its essential elements, the Posto is free from any unnecessary details, including visible screws. A groove on the cylindrical stem holds the cable in place, maintaining the sense of precision and clarity. Crafted from aluminium, the Posto is comprised of three elements, ensuring durability and ease of assembly.

The Posto Table Lamp seamlessly blends form with function. When switched on, the lamp provides a comfortable downlight, perfect for use as a task light at a desk. Display in a study, beside a bed, or on a shelf in a living area for a functional light that doesn't draw attention. Its silver-grey finish creates a timeless aesthetic that complements residential and commercial interiors alike.
