Astro Atticus LED Wall Light

Boasting a sleek design and available in three contemporary finishes, the Astro Atticus LED Wall Light is an exceptional bathroom luminaire. Atticus utilises a slender aluminium frame that adds a modern touch to your interior, whether you decide on Matt Black, Polished Chrome, or Matt Brushed Brass; this wall light is guaranteed to create a statement.

The inner LED light source of the Astro Atticus LED Wall Light is evenly filtered through the diffuser, and this lighting solution can be easily dimmed in order to create an ambience that suits the needs of your space. Atticus can be installed vertically or horizontally, above or on either side of the bathroom mirror. It also features an easy-to-install mounting system and IP44-rated, durable materials for years of safe, reliable use.
