Graypants Scraplights Ohio Pendant

The Graypants Scraplights Ohio Pendant is a striking example of sustainable design, combining warm ambient lighting with an organic, handcrafted aesthetic. Made from recycled corrugated cardboard, the sculptural shade is carefully formed and bonded by hand, creating a distinctive layered texture that casts beautiful shadows when illuminated.

Available in two sizes and three colours, its softly rounded silhouette and natural material bring warmth and character to contemporary, rustic and minimalist interiors alike. Whether suspended above a dining table, kitchen island or used as a statement light in a living space, the Ohio Pendant creates an inviting glow while adding an architectural focal point to the room.
