PRODUCT DESCRIPTION

Designer: Centrelight

Centrelight Efonda Ceiling Light

A statement ceiling light, providing ample diffused illumination, the Centrelight Efonda is ideal for the hotel, hospitality, leisure, and education industries, as well as for residential applications. This lighting solution makes a statement without being overbearing, adding an elegant touch wherever it's installed.

Consisting of an iron structure and a pleated ribbon fabric shade, available in white, cream, or red, the Centrelight Efonda Ceiling Light provides an eye-catching downlight projected through a methacrylate diffuser as well as an all-around glow. Due to its size, it can be used independently or in multiple for more vast interiors.
