Moooi Valentine Suspension

The Valentine Suspended lamp was designed by Marcel Wanders for Dutch lighting and furniture manufacturer, Moooi. Available in three luxurious finishes: Black, Chrome, or Gold, the Valentine adds a touch of elegance to any interior. An internal mirror within the shade reflects light into a bright and even glow, while the patterned glass diffuser refracts light into a subtle play of shadow and light. This warm glow transforms the seemingly simple shell into an endless bouquet of light.

The Valentine Suspended has a diameter of 36cm. A smaller version of the light, the [Valentine Baby Suspended](#), is available for smaller spaces. Display individually or in clusters to create unique installations that perfectly fit your interior. The warm, ambient light from the Valentine makes it perfect for creating an inviting atmosphere in bedrooms, dining rooms, or hospitality settings.
