

PORTA ROMANA

Porta Romana Big Bang Lantern

LA7801

SOURCE: <https://www.davidvillagelighting.co.uk/product/Porta-Romana-Big-Bang-Lantern/15065>

PRODUCT DESCRIPTION

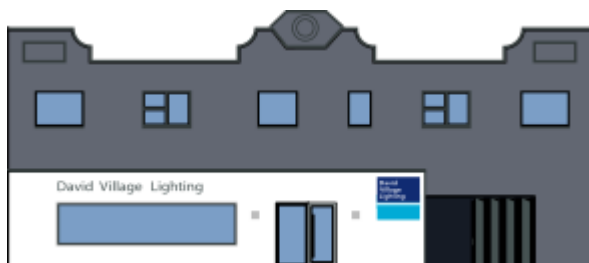

Porta Romana Big Bang Lantern is a ceiling light inspired by the moon, space and the big bang!

An explosion of Mica is suddenly frozen and fixed in place at the moment that the glass hardens, creating a spectacular pattern, unique to each piece. The Big Bang Lantern is blown with a dilute mix of Olive to lend a subtle antiquity to its colouring. Layers of glass and the addition of the almost mercury like sheets of Mica, the result is something magical and impressive

PRODUCT SPECIFICATION

Light Source: 1 x max 3W LED G9 (excluded)

Dimensions: Height: 340 mm
Width: 300 mm
Minimum Drop: 385 mm
Maximum Drop: 1345mm
