PRODUCT DESCRIPTION

Designer: Omer Arbel

Bocci 14s Surface Light

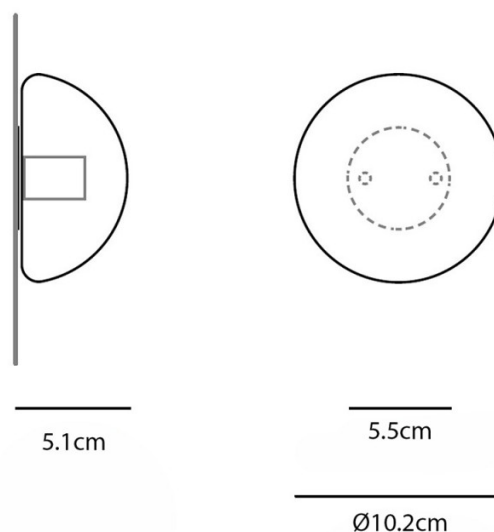

A part of the [Bocci 14 Series](#), the 14s Surface Lamp is made from a beautiful clear glass shade that can be used in various settings. The surface light has an IP rating of 55, so can be used indoors, outdoors and in wet environments. The ceiling/wall light holds a light source that is included by Bocci, with the choice of either a **Xenon 10W** bulb or a **LED 1W** bulb.

The Xenon 10W is dimmable, whereas the LED 1.5W is non-dimmable. The 14s wall/ceiling lamp is a chic and stylish choice and can be used alone for a minimal effect and small spaces or used in multiples for larger spaces. The surface light produces a warming, twinkling glow that is eye-catching, comforting and suitable for all your needs.

Please Note: The Bocci 14s Surface Light is supplied with a remote driver, which can power up to 6 lights. However, if you wish to install these lights on separate circuits, please [contact us](#) as additional drivers will be required.
