Fontana Arte Flute Floor Lamp

Designed by Franco Raggi, the Fontana Arte Flute Floor Lamp is a striking combination of balance and elegance. The design centres around a transparent borosilicate glass cone, which houses a chromed aluminium reflector supported by three delicate metal rods. This clever construction creates an impression of lightness and poise while delivering indirect, ambient illumination suited to both modern and classic interiors.

Equipped with a dimmer switch on the transparent power cable, the Flute Floor Lamp allows for easy adjustment of light intensity, making it perfect for creating a relaxing atmosphere in living spaces or adding subtle accent lighting to bedrooms and studies. The minimalist aesthetic and high-quality materials make this lamp a timeless addition to any space.
