Orsjo Belysning Konkret Pendant

The Konkret Pendant light is a compact light made from black stained ash wood veneer with a leather strap and brass stud details. This piece was designed by Jonas Edvard, with the aim of challenging the appearance of wooden lamps whilst highlighting their texture.

The Konkret Pendant fits easily into all kinds of locations and is perfect for brightening up small spaces with warm and soft light. It is a perfect addition for adding some character to your bedroom and a great conversation piece for hosting areas such as kitchens or dining areas.
