PRODUCT DESCRIPTION

Designer: Terence Woodgate

Case Solid Table Lamp.

The Case Solid Table Lamp is designed by Terence Woodgate. Woodgate's designs are known for their minimalist aesthetics, which is showcased in this collection of lamps. The sleek cylindrical marble base features a discreet touch button which controls the integrated four-stage, state-of-the-art dimmable LED.

The Solid Table Lamp is crafted from Serpentine Green, Marquina Nero and Carrara Marble. Each lamp is topped with hand-blown, three-ply, acid etched opal glass, which fills the room with a warm and ambient glow. Perfect for providing a soft, diffused light in spaces such as bedrooms or in the lounge. As marble is a natural material, the colour and veining will vary from piece to piece, ensuring you have a truly unique lamp.
