PRODUCT DESCRIPTION

Sammode Studio Monceau Wall/Pendant Light

Part of the Paname collection by Sammode Studios, the Monceau luminaire follows in suit with an intricate grid motif. The chevron design references the antique parquet floors of up market French residences as homage to the City of Light.

The Monceau is available a coal/petrol colour finish which is bang on trend, with the darker tones adding a post-industrial feel. The petrol/coal version also has 3 brushed reflectors which create unexpected grey/blue reflections.

Monceau by Sammode Studios provides subtle light from its 6 LEDs, creating a pleasant and inviting light. The Monceau has an IP rating of 65, meaning it can be used in wet environments, outdoors and indoors. Suspended above a dining table or kitchen island, it creates a captivating display of light. The Monceau comes complete with its cable, light source and wall outlet.
