PRODUCT DESCRIPTION

Designer: Storagemilano

Floed 2 Wall / Ceiling Light by KDLN

The Floed 2 ceiling and wall light is the bigger version of the [Floed wall/ceiling light](#) and was designed by Storagemilano. A handy light, it can be installed on both the wall and the ceiling, being adaptable for any setting. The Floed 2 light is made from a sleek bronze metal rod that holds two spherical opal glass lampshades that are imposing and striking.

The Floed 2 wall/ceiling light can be used in homes and professional settings, whether used on the ceiling in an office or used in multiple along the wall of a corridor. The sophisticated and elegant design means it can be used in many interiors and the white shades allow for a diffused, soft glow that is also effective.
