PRODUCT DESCRIPTION

Designer: Bernhard Osann

Untitled LED Wall Light by Nemo Lighting

A part of the [Nemo Lighting Untitled collection](#), the Untitled wall light was designed by Bernhard Osann. With a flexible arm and lampshade, you can direct the light flow where you need it, being perfect as a reading or task lamp.

The Untitled LED wall lamp is available with either a linear or spot lampshade, with the spot shade has a more concentrated glow and the linear shade offering a more general, ambient illumination. The lightweight and minimalist look makes this wall lamp suitable for many spaces, whether in the home or in a commercial setting.
