Flos Tab LED Floor Lamp

With a strikingly modern silhouette, the Flos Tab Floor Lamp, by designers Edward Barber and Jay Osgerby, is an LED light providing adjustable illumination. Minimally styled, the Tab Floor Lamp has a distinctive folded shade which evenly distributes light emission and has a movable neck to allow for angled illumination. The lamp's rotatable head allows you to adjust the light by 90° on the horizontal axis.

Providing direct illumination, this floor lamp combines clean lines, modern design and high functionality and comes in a choice of four soft colours: matt blue, matt dark green, glossy white and glossy black. The Tab collection also includes a [table lamp](#) as a companion to this modern design.
