PRODUCT DESCRIPTION

Kartell Cindy Table Lamp

A typical 70s design, the Cindy with its tear drop shaped base and conical lampshade in metallic colours, is a colourful choice for your home. The metallic and shiny surface is what adds to its beauty while giving it that modern kick it needs.

With a reflecting surface, in 6 metallic colours (violet, fuchsia pink, dark gold, blue, gun metal and platinum) the Cindy lamp creates numerous iridescent reflections. Ferruccio Laviani is the designer behind this retro table lamp, who envisioned to bring a designer lighting that would complement any space.
