Kartell Bloom Pendant

A beautiful, floral pendant available in two sizes and 4 colour and 4 metallic options . The Bloom pendant brings a refreshing and lavish look into your home. The Bloom can stand beautifully on its own or be combined with other sizes or colours and create your own colourful clusters.

The Bloom is like a delicate flower bouquet in colours of green, yellow, white, violet or just transparent crystal. The light comes from within the frame and beams the flowers through their shafts and then refracted from the faceted surfaces to create hundreds of reflections.

This product requires on site assembly.
